Various Districts

The Texas Department of Transportation (department) is authorized under Title 49, United States Code, Chapter 471, and Texas Transportation Code, Chapter 21, to award federal and state funding for capital improvement projects and to assist in the development and establishment of airports in the state of Texas.

The airports listed in Exhibit A are currently in need of improvements to preserve the airports or to meet standards. The department recommends the award of federal non-primary entitlement grant funds, federal apportionment grant funds, and state grant funds for the improvements.

On April 6, 2020, a public hearing was held. No comments were received.

IT IS THEREFORE ORDERED by the Texas Transportation Commission that the executive director, or the director's designee, subject to applicable federal and state requirements, is authorized to enter into any necessary agreements to fund, through the Aviation Facilities Grant Program, the projects described in Exhibit A.
